ShipTek 2010

International Conference on Shipping, Marine and Offshore Industry

ShipTek 2010, the International Conference on Shipping, Marine and Offshore industry exploring Dubai, the city of commercialization, luxury, trade, holiday and leisure.

After captivating the shores of the Lion City, Singapore, ShipTek is all set to enchant Dubai. The ball is set rolling for the appearance of the 4th edition of International Maritime Video & Excellence Awards. With more dazzle and awe ShipTek 2010 is all set to mesmerize Dubai yet again with the stalwarts of the industry on April 18, 2010.

The event is aimed at creating business opportunities and fueling growth in the maritime industry by bringing together representatives of the government, maritime bodies and the industry through a series of focused sessions.

The mega event would comprise of the following integral segments:

- ▶ Two day International Conference
- ▶ International Maritime Expo
- ▶ 4th International Maritime Video & Excellence Awards

"I like to extend my sincere compliments organizers of the conference and dinner for the excellent organization and the very friendly atmosphere which is so much more memorable than some formal dinners."

Professor Choo Yoo Sang, Director (Research), Centre for Offshore Research & Engineering, National University of Singapore

International Conference

The International Conference on Shipping, Marine and Offshore industry will have paper presentations by eminent personalities from the industry. "I would like to congratulate Marinebiztv, organizers and sponsors on successfully hosting Shiptek 2009. In addition, I wish to also express my humble thank you as recipient for the Life Time Achievement award. It was unfortunate that I was unable to attend this ceremony. However, I was still able to enjoy the evening's glamour through the Marine BizTV site. Thank you and congratulations again."

Sumate Tanthuwani, Group President
Regional Container Lines Public (Thailand) Company Limited.
